SUBJECT: Emergency management in Lincoln County

SUMMARY**FIRE-FIGHTERS**

Lincoln County has four fire departments, all of which are all-volunteer:

1. Pharangant Valley fire district (Alamo) has an ambulance and 25 fire-fighters.
2. Caliente City fire department has 25 fire-fighters,
3. Panaca's town board department also has 25 fire-fighters,
4. Pioche Fire District has 20 fire-fighters.

These four departments are adequate for current needs, and new volunteers are rookies are being trained constantly incase demands picks up.

AMBULANCE

Pioche's ambulance service not connected to its fire department. Meadow Valley covers Caliente (with 2 ambulances) and Panaca (with 1 ambulance). This is sufficient, but the county is having trouble planning and trying to ensure safety of contractors working in remote areas on the Yucca Mountain project. Pioche has 1 ambulance, and is obtaining another. Tonopah has two ambulances.
